Subject: Quick question about [Company]

Hi [Name],

How does your team handle RFQs and client proposals today?

We built a sourcing platform for promo distributors – CRM, supplier matching, and a branded quote store per client.

Happy to set up a free 14-day pilot if useful.

15-minute demo (screen share)

1. Open **demo store** → walk through a quote request
2. Show **partner stores** on homepage (different brands, same platform)
3. Mention CRM: leads → suppliers → RFQs → proposals
4. Offer **free 14-day pilot**
5. Get their email → set up tenant within 24 hours
